Chromebook or Device Login

If you are sharing a device with other members of your family, please ensure that they sign out of Google so your student can sign in.

Chromebooks issued by EBR: Sign into Google with your EBR credentials or use the badge provided by your school. Example: qq123456@ebrschools.org and then enter your password.
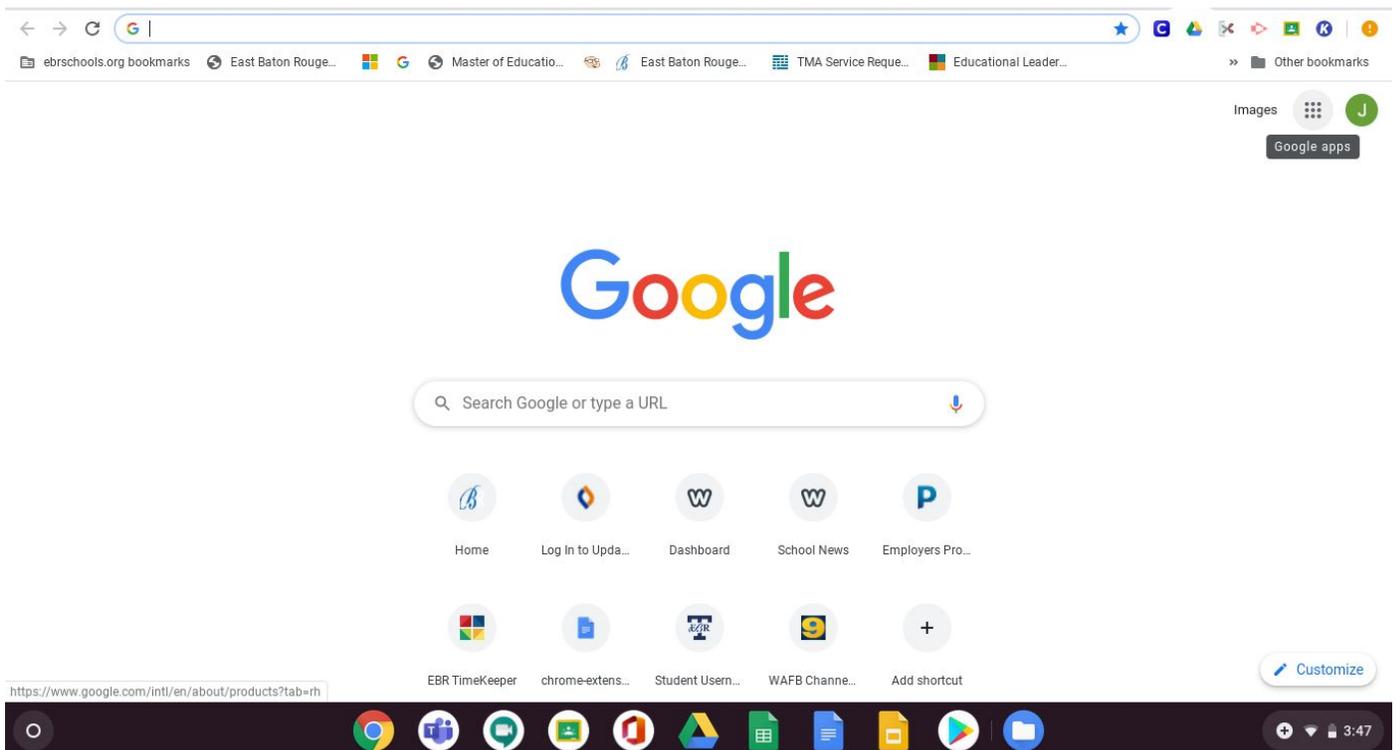

To sign in with the badge, turn on your Chromebook. When the camera comes on, hold your badge up so the camera can read it.

If you are using a device other than one issued by EBR, sign in with your EBR username and password.

If you do not know your child's username and password, please contact your child's teacher or email Ms. Hall at jhall@ebrschools.org.

Once you are signed in, you can get to Google Classroom a few ways:

1. Click on the Google apps (the "waffle") in the top right corner next to your initial.
2. If you are using a district/school issued Chromebook, you can click on the classroom icon at the bottom of the screen.
