Afternoon Carpool Guidelines

Please read and follow the guidelines listed below.

A left turn from S. 19th Street onto Louisiana Avenue is prohibited during school zone hours. A sign is posted on the corner of S. 19th and Louisiana Avenue. A police officer may issue you a ticket if a left turn is made during school zone hours.

1. All vehicles need to approach the carpool area on Louisiana Avenue from S. 19th Street. You are **ONLY ALLOWED TO MAKE A RIGHT TURN** into the carpool area behind the school. A left turn into the parking lot is **NOT ALLOWED**.
2. Parents are not allowed to park on the street or walk to the carpool area to pick up a child. You must go through the carpool line and have your child placed in your car by a teacher. If you walk to the door to pick up your child, you will be asked to go through the carpool line.
3. **Please do not leave your vehicle to pick up or meet your child.** This includes the driver of the car as well as any other passengers in the car. A teacher will walk your child to your car.
4. There are 3 carpool lanes. The lane closest to the curb is reserved for parents picking up PreK and Kindergarten students. If you have a child in PreK or Kindergarten **and** grades 1-5 you may also use the lane closest to the curb.

The other 2 lanes are for picking up students in grades 1-5.

5. Please be aware that students will not be dismissed before 3:25 p.m. We encourage you not to arrive before 3:00 p.m. as it will increase the time you have to wait in the carpool line.
6. Once your child has been placed in your car, please remain in your lane unless you are asked by the teacher directing traffic to switch lanes. Switching lanes is dangerous because a child and teacher may be crossing lanes to go to another car. Please be patient. We know the line is long but we are working as quickly as possible to get all students safely to their cars.

If you have any questions please feel free to contact the school. Thank you for your cooperation in this matter.
